

MPSA FUTURE STARS PROGRAM

SOCCER PROGRAM FOR 4-7 YEAR OLDS

There will be no cuts for U6 + U7 + U8 + U9 girls and boys. Every effort will be made to offer a spot for each interested player (within the limits of coaching staff availability).

U6 + U7 + U8 + U9 players will not play in travel leagues. They will be offered a developmental program with 5-6 practice and game events during each two month session (July–August, September–October, November–December, January–February, March–April, May–June).

The curriculum will be play-based and will emphasize skill building and independent problem solving. U8 + U9 players will have the option of joining MPSA travel teams in addition to the MPSA Future Stars Program.

The cost will be \$55 for each session. You will only pay for sessions in which you are enrolled. You can choose to skip any session depending on your child's schedule, interest, and motivation.

All sessions will be on Wednesdays from 6:30 pm to 7:30 pm. The Summer Session will be held at the Concordia University Soccer Fields. All other sessions will be held at the EMU Indoor Training Facility. Each session will consist of 5 to 6 one-hour practice and game events.

I understand that soccer is a physical activity and that it involves a risk of injury and even death. I state that my child has undergone a physical exam by a physician and has been cleared to participate in athletic activities. I willing agree to hold all MPSA coaching and administrative staff as well as the club owner harmless from any liability.
